Instructions for completing Form 276

1. Colorado Surplus Property Agency (CSPA) requires Form 276 to accompany EVERY pick up or drop off of surplus property. This form is your agencies declaration that the property is no longer needed and serves as a record of its disposition. It is more for you than it is for us, but we need to know where everything came from.
2. Please provide ALL contact information requested, including complete addresses (billing and pick up locations)
3. CSPA can schedule a pick up of your property. We charge \$100 per hour (\$100 minimum) and travel time is charged. If you prefer to drop off your property or hire another company to perform this service, there is no charge from CSPA. Drop off hours are Monday-Friday 8:00am until 3:00pm. Drop offs will be denied if the 276 Form is not included.
4. Electronics (Laptops, Computers, Cell Phones, Tablets) need to be bios and password unlocked.
5. Instructions for filling out table of surplus items
 - a. Quantity: How many of each item are you turning in
 - b. ID Number: This is a serial number or your agency inventory number (does not apply to all items)
 - c. Item Description: Describe the items you are turning in. More information could assist in getting a greater purchase price for the state property
 - d. Condition Code: Your assessment of the property condition
 - i. A: Usable as-is

 - iii. C: Requires considerable repairs
 - iv. D: Not Usable or repairable (Trash)
